6. RESEND EMAIL PLATFORM GUIDE

Resend is the transactional email service used by the website to send purchase receipts, download links, and admin notifications. It is configured programmatically via API and does not require daily interaction.

Resend Dashboard:

<https://resend.com>

Login Credentials

What Resend Does

- Sends **purchase receipt emails** to clients after successful payment
- Sends **download link emails** with secure tokens
- Sends **admin order notifications** when a new order is placed
- Provides **email analytics** — delivery rates, open rates, etc.

Checking Email Logs

Step 1: Log in to <https://resend.com>

Step 2: Go to **Logs** in the left sidebar

Step 3: View sent emails, delivery status, and any failures

Step 4: If an email fails to deliver, check the error details and retry if needed

Troubleshooting

- If clients report not receiving emails, check Resend logs first
- Verify the client's email address is correct
- Check that the sender domain (nyaeraogegaadvocates.com) is verified in Resend
- Contact support if emails are consistently failing

7. HOW TO REGISTER A PAYBILL OR TILL NUMBER

The website currently uses **M-Pesa STK Push** (Daraja API) for payments. This means clients pay directly through the website without needing a Paybill or Till number. However, if you want to register a Paybill or Till for other purposes, follow the steps below.

Registering a Paybill Number

Step 1: Visit any **Safaricom Shop** or **M-Pesa Agent**

Step 2: Request a **Paybill Registration Form**

Step 3: Fill in:

- Business Name: **Nyaera Ogega & Co. Advocates**
- Business Type: **Law Firm / Legal Services**
- ID/BRN Number: Your business registration number
- Contact: Your phone number

Step 4: Submit the form and pay the registration fee (approx. KES 1,000)

Step 5: You will receive your Paybill number within **24-48 hours**

Registering a Till Number

Step 1: Dial ***234#** on your Safaricom line

Step 2: Select **Lipya na M-Pesa**

Step 3: Select **Register Till Number**

Step 4: Follow the prompts to enter your business details

Step 5: Pay the registration fee (KES 1,080 for 1 year)

Step 6: You will receive your Till number immediately

Using Paybill/Till with the Website

If you want to switch from STK Push to Paybill/Till, the development team will need to update the payment integration. Contact your developer to make this change.

8. QUICK REFERENCE & CREDENTIALS
